1. What are Cookies?

Cookies are small text files that are placed on your computer or mobile device by websites that you visit. They are widely used to make websites work, or work more efficiently, as well as to provide information to the owners of the site. At **Aivota**, we use cookies and similar tracking technologies (like web beacons and pixels) to enhance your experience with our AAC platform.

2. How We Use Cookies

We use cookies for the following purposes:

- **Essential:** To maintain your session and ensure the secure operation of the AAC interface.
- **Performance & Analytics:** To understand how users interact with our dynamic communication boards so we can optimize load times and UI responsiveness.
- **Personalization:** To remember your settings, such as your preferred Proprietary Symbol Set layout or eye-tracking calibration.
- **AI Optimization:** To collect de-identified data on how our Generative AI predictions are used, helping us improve the "XCS" engine's accuracy.

3. Types of Cookies Used

- **First-Party Cookies:** Set directly by Aivota to manage your account and security.
- **Third-Party Cookies:** We may use reputable analytics providers (e.g., Google Analytics 4) to help us analyze site traffic. These providers may set their own cookies.

4. Managing Your Preferences (Opt-Out)

In accordance with **Amendment 13 of the Israeli Privacy Protection Law**, we respect your right to choose.

- **Consent Banner:** Upon your first visit, you will be presented with a choice to "Accept All," "Reject All," or "Customize."
- **Browser Settings:** You can also manage cookies through your browser settings. However, disabling "Essential Cookies" may cause the Aivota AAC platform to malfunction.
- **Global Privacy Control (GPC):** We honor GPC signals from your browser as a valid opt-out request for non-essential cookies.

5. Cookie Retention

- **Session Cookies:** Deleted automatically when you close your browser.

- **Persistent Cookies:** Remain on your device for a set period (e.g., 12 months) or until you manually delete them.

6. Contact Information

For any questions regarding our use of cookies, please contact our Data Protection Officer:
